

BULLETIN NO. 12/13-005

DATE: 13 NOV 12

TO: Snow Cross Affiliates, Snowmobile Manufacturers and SMDG

SUBJECT: CARON FIBER AND TITANIUM COMPONENTS

Titanium and Carbon Fiber parts are limited to those components that are allowed to be replaced in stock class racing, as well as any carbon fiber or titanium part that is produced on an OEM snow cross special build (SS) model, the application of this part may be used in Pro Open on all manufacturers snowmobile.

FUTURE PRODUCTS:

Manufacturers and SMDG Members may request approval for additional applications of carbon fiber and titanium products at the annual ISR Race Rules meeting. Items approved at this meeting will immediately be available for race purposes. Items for consideration must be submitted in writing with technical application documents at least 30 days prior to the annual meeting.

CARBON FIBER AND TITANIUM COMPONENTS ALLOWED TO BE USED DUE TO PAST USE OR BEING CONSIDERED NON PERFORMANCE ENHANCING.

COMPONENT

MATERIAL
