

BULLETIN NO. 17/18-014 DATE: 5 Dec 2017

TO: ALL ISR Sno Cross & Kitty Cat 120 Affiliates

SUBJECT: 2018 Running Board Support Kit // Arctic Cat ZR 200 & Yamaha SnoScoot

Running Board Support Kit / Legal under # 19 Reinforcement of chassis, skid frame, (slide rail) tunnel, front suspension, rear suspension, must only be done with like material to original component. Only exception is aluminum can be reinforced with steel. No carbon fiber or titanium reinforcement allowed.

This kit is designed to stiffen and strengthen the stock running boards to prevent them from flexing and bending. For all hard riders and race applications, Kit comes with 1 RH and 1 LH support brace and heavy duty huck type mounting rivets. Braces are pre-drilled for easier installation. Legal for all ISR racing classes.
