

**BULLETIN NO. 18/19-008      DATE: 13 May 19**

**TO: ALL ISR Racing Drag Affiliates**

**SUBJECT: Drag Racing Fuel Programmer Bulletin**

Re: Fuel Programmer.  
Improved Stock and Pro Stock Drag Racing

The Straightline Performance Kit for 800 CC Ski Doo/BRP sleds, Part # 141-100 E-Tec Fuel Programmer is allowed for use in competition in the following Drag Race classes.

Improved Stock  
Pro-Stock

Grass, Ice and Snow Drag.  
This bulletin supersedes all previous bulletins published for 2019 on this matter.  
Please update your tech staff.

The Programmer is NOT LEGAL in Stock class, and may not be used in stock classes.

Thank you.  
ISR
