

Attention ISR Sno Coss Racers: **Get your snowflap legal for the 2020/2021 season!**

New Product Release: Knoll Restoration Products Snowflap reinforcement strip (**SRS**)

Knoll Restoration Products is currently taking pre-orders for their SRS that gets you ISR legal for the coming season. Each SRS is manufactured from heavy-duty .125" plastic that was selected for its high strength and ability to be formed with a heat gun if needed. This material and design meet the requirements defined in the 2020-2021 ISR rule changes. Each strip measures 8" wide x 30" length and requires drilling and riveting to the current snow flap as defined in the attached description.

Price: \$20.00 each (Paypal or Venmo payment at time of order)

Order Deadline: All orders must be received by **October 30** to allow time for manufacturing and packaging

Delivery Schedule: I will have these ready for pickup at ERX Saturday, November 14 at 2:00 pm

- Shipping via USPS also available with additional fee, contact me to make arrangements
